The Official Committee of Unsecured Creditors of Ark
Laboratory, LLC. d/b/a Helix Diagnostics

October 13, 2023

To: The General Unsecured Creditors of Ark Laboratory, LLC, d/b/a Helix Diagnostics (“Ark Laboratory” or the “Debtor”), Case No. 23-43403

Re: Combined Disclosure Statement and Plan of Liquidation of the Debtor

Dear Creditor:

This letter is being sent to you from the Official Committee of Unsecured Creditors of Ark Laboratory, LLC. (the “Committee”). Recently, the Debtor filed the Combined Disclosure Statement and Plan of Liquidation, which sets forth how and to what extent various creditors, including unsecured creditors (designated as Class 6 under the Plan of Liquidation), are to be repaid. The Plan of Liquidation (“Plan”) also includes a Disclosure Statement (“Disclosure Statement”), which describes in detail the Plan and provides background information relating to the Plan and the Debtor. In addition, following the filing of the Plan and the Disclosure Statement, the Debtor filed a Plan Supplement (“Plan Supplement”). We write to encourage you to review the enclosed Plan, Disclosure Statement, the Plan Supplement and the Ballot (the was included with the Plan) with your legal advisors and to promptly return the Ballot. Our recommendation to vote in favor of the Plan is on page 3 of this letter.

Generally, the Plan contemplates that Ark Laboratory will liquidate following confirmation of the Plan. Under the Plan, all of the remaining assets, not otherwise sold to Auxo Investment Partners, LLC (“Auxo”), the Successful Purchaser and primary secured creditor of the Debtor, will be assigned to a Liquidating Trust pursuant to a Liquidating Trust Agreement under which Paul R. Hage will serve as the Liquidating Trustee (the “Liquidating Trustee”) to collect and disburse those funds that Auxo and the unsecured creditors are entitled to receive under the Plan.

If the Plan is confirmed by the Bankruptcy Court, the holders of Allowed Unsecured Claims¹ will receive payment on account of their pre-petition claims from two potential sources: (i) the net recoveries from the Covid Testing Claims, and (ii) the net recoveries from the Causes of Action pursued by the Liquidating Trustee, each as more specifically described below.

(i) The Covid Testing Claims:

One of the assets disclosed by the Debtor in its schedules filed in the Chapter 11 Case is the Covid-19 Testing Claims with each of the Debtor’s health insurance providers and governmental entities that are being pursued by Special Counsel retained by the Debtor. According to the Debtor’s amended schedules filed in the Bankruptcy Court: “The [Covid Testing] Claims are valued at no less than \$4.0 million to the bankruptcy estate (exclusive of contingent fees owed to special counsel to be retained by the Debtor, in the amount of 30% of the amount recovered). The face amount of the claims may be over \$40 million, however, that amount does not take into account collectability nor the contingent fee that will be owed to special counsel.”

¹ Unless otherwise defined herein, all capitalized terms shall have the meanings contained in the Plan.
23-43403-mlo Doc 303 Filed 10/16/23 Entered 10/16/23 21:39:58 Page 3 of 231

Even though the Covid Testing Claims were excluded from the Debtor's sale of substantially all of its assets, the Covid Testing Claims constitute collateral of Auxo, as a secured creditor. What that means is that until Auxo is paid in full on its allowed secured claim – estimated to be in excess of \$20 million – the unsecured creditors would not receive any funds on account of the recovery from the Covid Testing Claims.

Prior to the Plan having been filed, the Committee, Auxo and the Debtor reached an agreement regarding the distribution of the proceeds of the Covid Testing Claims under the Plan and the Liquidating Trust (the "Agreement") that provides: The net recoveries from the Covid Testing Claims, after payment of such amounts owed to Special Counsel, if recovered prior to the Effective Date,² shall be distributed by the Debtor and, if recovered after the Effective Date, shall be distributed by the Liquidating Trustee, as follows: (a) the first \$9.2 million shall be distributed to Auxo, (b) the next \$1.0 million to the Liquidating Trustee for payment of the Allowed Claims of the Unsecured Creditors, (c) then, once Auxo receives 80% of the amount owed on its Allowed Secured Claim, each dollar received thereafter by the Liquidating Trustee shall be split with 15% of such recoveries for payment of the Allowed Claims of the Unsecured Creditors and 85% of such recoveries for payment of the Allowed Secured Claim of Auxo until Auxo is paid in full on its Allowed Secured Claim. Thereafter, all such recoveries, net of fees and expenses of the Liquidating Trust, shall be paid to the Allowed Claims of the Unsecured Creditors.

Thus, under this Agreement, holders of Allowed Unsecured Claims will have the opportunity to share in the net recoveries of the Covid Testing Claims before Auxo is paid in full on its Allowed Secured Claim, and once Auxo is paid in full on its Allowed Secured Claim, all of the remaining net recoveries from the Covid Testing Claims will go to the holders of Allowed Unsecured Claims under the Plan and the Liquidating Trust Agreement.

(ii) Causes of Action:

The other asset that is being distributed to the Liquidating Trustee under the Plan and not part of the collateral securing Auxo's allowed secured claim, is the Preserved Causes of Action that include, among other things, Avoidance Actions (that includes any and all avoidance, recovery, subordination or other actions or remedies that may be brought on behalf of the Debtor or their estates under the Bankruptcy Code or applicable non-bankruptcy law, including, without limitation, actions or remedies under sections 510 and 542 through 553 of the Bankruptcy Code).

Under the terms of the Plan, the Liquidation Trustee has the right to "commence, continue, prosecute, litigate, and/or settle and compromise Claims, Causes of Action and the Covid Test Claims, by or against the Debtor and third parties on behalf of the Liquidating Trust and for the benefit of the Beneficiaries thereof (except as expressly provided in the Plan or any order entered in the Chapter 11 Case (including the Confirmation Order) . . . will have and shall retain after the Confirmation Date any and all rights and defenses that the Debtor had with respect to any Claim as of the Petition Date. All

² "Effective Date" under the Plan is defined as the first date that is a Business Day thirty (30) days after the entry of the Confirmation Order on which no stay of the Confirmation Order is in effect and the appeal period has expired, or, if an appeal has been filed, entry of a Final Order affirming entry of the Confirmation Order.

Claims of any Entity subject to section 502(d) of the Bankruptcy Code shall be deemed disallowed as of the Effective Date unless and until such Entity pays in full the amount that it owes the Debtor or the Estate.”

A list of the Preserved Causes of Action and the potential Avoidance Actions are attached as **Exhibit B** to the Plan and the Plan Supplement, each of which has been filed with the Court and provided to every Unsecured Creditor. Recognize, however, just because a Cause of Action or an Avoidance Action is listed on **Exhibit B** to the Plan or the Plan Supplement does not mean that the Liquidating Trustee will pursue such action as ultimately that will depend on an analysis of each potential action and a determination by the Liquidating Trustee, in the exercise of his business judgment, whether he believes that there is a basis in fact and law to justify pursuing the Cause of Action or Avoidance Action. While it is impossible at this juncture to predict or to estimate with any certainty what actions will be pursued or the likely recoveries therefrom, net of fees and costs incurred in connection therewith, these Causes of Action and Avoidance Actions represent another source of recovery for the holders of Allowed Unsecured Claims under the Plan.

(iii) Impact of Unsecured Creditors Not Voting in Favor of the Plan:

If the Unsecured Creditors do not vote in favor of the Plan, the Plan will not be confirmed and Auxo, as the Secured Creditor, will have the right to receive all the net recoveries from the Covid Testing Claims until its Allowed Secured Claim is paid in full, thereby depriving the Unsecured Creditors of the opportunity to participate in these recoveries before Auxo is paid in full. Moreover, if the Plan is not confirmed, either the Debtor can file a new plan or the Chapter 11 Case will be dismissed or converted to a chapter 7 case, with a chapter 7 trustee appointed by the Office of the United States Trustee, to pursue the Causes of Action.

Committee Recommendation:

When the Chapter 11 Case was commenced by the Debtor, the Unsecured Creditors were substantially “under water,” with little hope of ever receiving a distribution on account of their Allowed Unsecured Claims. The Committee, both prior to and subsequent to the filing of the Plan, has provided the Debtor significant input and has reached a significant compromise with Auxo regarding the terms of the Plan. It is unknown at this time how much will ultimately be distributed to the holders of Allowed Unsecured Claims under the Plan. Much depends on the ability to successfully liquidate the Covid Test Claims, as well as whether the Preserved Causes of Action, if pursued, will result in net recoveries for the holders of Allowed Unsecured Claims under the Plan. Nevertheless, the Committee believes that the Plan provides the best opportunity for a return to the holders of Allowed Unsecured Creditors under the circumstances of this Chapter 11 Case.

Therefore, this letter is to advise you of the Committee’s support for the Plan and of the Committee’s recommendation that you vote in favor of the Plan. Please note that all Ballots in favor of or against the Plan must be transmitted to Ark Laboratory’s counsel via mail, via email or via facsimile such that it is actually received on or before October 26, 2023 at the following:

Article III

PAYMENT OF ACCRUED PROFESSIONAL COMPENSATION CLAIMS OF RETAINED PROFESSIONALS, ALLOWED SECURED CLAIM OF AUXO, AND ALLOWED CLAIMS OF UNSECURED CREDITORS

III.1 Administrative Expense Claims of Retained Professionals.

III.1.1 On the Effective Date, cash in the Professional Fee Account shall be transferred to the Trustee for the benefit of the Retained Professionals. Upon the entry of a Final Order by the Bankruptcy Court approving the Accrued Professional Compensation Claims of the Retained Professionals, the Trustee shall pay each Retained Professional such pro rata amounts as authorized by the Bankruptcy Court and as provided in the Plan. If the amount in the Professional Fee Escrow Account is

less than the Accrued Professional Compensation Claims of the Retained Professionals, prior to any distribution of the net proceeds of the Causes of Action to the Holders of Allowed Unsecured Claims, to the extent that a Retained Professional has not been paid in full on its Accrued Professional Compensation Claims approved by the Bankruptcy Court from the Professional Fee Escrow Account, the net proceeds of the Causes of Action shall first be used to pay the administrative expenses of the Trustee and his professionals to administer the Trust, and then to the Retained Professionals for outstanding Accrued Professional Compensation Claims.

III.1.2 Without limiting the foregoing, and notwithstanding anything to the contrary herein, the Trustee shall maintain a Professional Fee Escrow Account for the benefit of Retained Professionals (*i.e.*, in a separate bank account). On or before the Effective Date, the Debtor shall provide the Trustee with an open register of how much money is escrowed for each Retained Professional. The Professional Fee Escrow Account and amounts funded therein for a Retained Professional are and shall continue to be maintained in trust solely for each Retained Professional and as specifically allocated for each Retained Professional in the First Amended Cash Collateral Order [ECF No. 269] and the Order Approving Employment of Special Counsel [ECF No. 229]. Notwithstanding anything to the contrary in this Agreement, the funds in the Professional Fee Escrow Account shall not be considered property of the Debtor, its Estate, or the Trust; provided, however, the Trust shall have a reversionary interest in any Cash remaining in the Professional Fee Escrow Account after payment in full of all Accrued Professional Compensation Claims without any further notice, action or order of the Bankruptcy Court. Unless otherwise agreed to (1) by the Debtor and the Retained Professional prior to the Effective Date, or (2) by the Trustee and the Retained Professional after the Effective Date, the amount of Professional Fee Claims

owing to the Retained Professionals shall be paid in Cash to such Retained Professionals by the Trustee as soon as reasonably practicable after such Professional Fee Claims are Allowed by final order of the Bankruptcy Court, first from the Professional Fee Escrow Account and second, as provided in Section 3.1.1 of this Agreement. For the avoidance of doubt, the amount escrowed for each Retained Professional on the Effective Date is not a cap on such Retained Professional's Professional Fee Claim.

3.2 Allowed Secured Claim of Auxo. The net recoveries from the Covid Testing Claims, after payment of such amounts owed to Special Counsel, plus the actual and necessary fees of the Trustee in recovering or compromising such recoveries, shall be distributed by the Trustee, as follows: (a) the first \$9.2 million shall be distributed to Auxo as a Beneficiary under the Trust, (b) the next \$1.0 million to the Trustee for the pro rata payment of the Allowed Claims of the Unsecured Creditors, as Beneficiaries under the Trust, (c) then, once Auxo receives eighty percent (80%) of the amount owed on its Allowed Secured Claim, each dollar received thereafter by the Liquidating Trustee shall be split with fifteen percent (15%) of such recoveries for pro rata payment of the Allowed Claims of the Unsecured Creditors and eighty-five percent (85%) of such recoveries for payment of the Allowed Secured Claim of Auxo until Auxo is paid in full on its Allowed Secured Claim. Thereafter, all such recoveries, net of fees and expenses of the Trust, shall be paid pro rata to the Allowed Unsecured Claims, in accordance with the Plan.

3.3 Allowed Claims of Unsecured Creditors. The Allowed Unsecured Claims shall be paid as provided in Section 3.2 of this Agreement. Additionally, the Allowed

Unsecured Claims shall receive, on a pro rata basis, the proceeds of the Causes of

Action, including the Avoidance Actions, after payment in full of the and his professionals and all Accrued Professional Compensation Claims owed to the Retained Professionals to the extent of any deficiency owed to them beyond the Professional Fee Escrow.

ARTICLE IV

ADMINISTRATION OF TRUST

4.1 Rights, Powers, and Privileges of Trustee Generally. Except as otherwise provided in this Agreement, the Plan, or the Confirmation Order, as of the date that the Trust Assets are transferred to the Trust, the Trustee on behalf of the Trust may control and exercise authority over the Trust Assets, over the acquisition, management, settlement and disposition thereof, and over the management and conduct of the affairs of the Trust. In administering the Trust Assets, the Trustee shall endeavor not to unduly prolong the Trust's duration, with due regard that undue haste in the administration of the Trust Assets may fail to maximize value for the benefit of the Beneficiaries and otherwise be imprudent and not in the best interests of the Beneficiaries.

4.1.1 Power to Contract. In furtherance of the purpose of the Trust, and except as otherwise specifically restricted in the Plan, Confirmation Order, or this Agreement, the Trustee shall have the right and power on behalf of the Trust, and also may cause the Trust, to enter into any covenants or agreements binding the Trust, and to execute, acknowledge, and deliver any and all instruments that are necessary or deemed by the Trustee to be consistent with and advisable in furthering the purpose of the Trust.

4.1.2 Ultimate Right to Act Based on Advice of Counsel or Other Professionals. Nothing in this Agreement shall be deemed to prevent the Trustee

23-43403-mlo Doc 303 Filed 10/16/23 Entered 10/16/23 21:39:58 Page 22 of 231

from taking or refraining to take any action on behalf of the Trust that, based upon the advice of counsel or other professionals, the Trustee determines it is obligated to take or to refrain from taking in the performance of any duty that the Trustee may owe the Beneficiaries or any other Person under the Plan, Confirmation Order, or this Agreement.

4.1.3 Compromise and Settlement of the Covid Testing Claims. Before the Trustee can compromise or settle the Covid Testing Claims for less than their face value, the Trustee shall consult with the Post-Confirmation Committee, Auxo and Special Counsel over the risks and benefits associated with settling the Covid Testing Claims. Until the Covid Testing Claims have resulted in a net recovery of \$9.2 million, the Trustee shall take into special consideration Auxo's position and its Allowed Secured Claim in the Covid Testing Claims with respect to any compromise or settlement of the Covid Testing Claims, after consultation with Auxo and the Post-Confirmation Committee. Once the Covid Testing Claims have resulted in a net recovery of at least \$10.2 million, the Trustee shall give consideration to Auxo's position with respect to any compromise proposed by Special Counsel until Auxo has received eighty percent (80%) on account of its Allowed Secured Claim, but prior to that time, the Trustee shall exercise his business judgment in deciding whether to compromise the Covid Testing Claims. If a dispute arises as to whether the Covid Testing Claims should be compromised, the Trustee or Auxo may seek a ruling from the Bankruptcy Court.

4.2 Powers of Trustee. Without limiting the generality of the above Section 4.1, in addition to the powers granted in the Plan, the Trustee shall have the power to take the following actions on behalf of the Trust and any powers reasonably incidental thereto that the Trustee, in its reasonable discretion, deems necessary or appropriate

to fulfill the purpose of the Trust, unless otherwise specifically limited or restricted by the Plan or this Agreement:

4.2.1 To act on behalf of the Trust, including the right to effectuate all actions and execute all agreements, instruments and other documents, and exercise all rights and privileges previously held by the Debtor, necessary or convenient to implement the provisions of the Plan and this Trust Agreement;

4.2.2 Except as provided in Section 4.1.3, with respect to any Trust Assets, to exercise in a manner not inconsistent with the Plan all power and authority that may be or could have been exercised, commenced or continued and take all actions that may be or could have been taken by any officer, director, or shareholder of the Debtor with like effect as if authorized, exercised and taken by unanimous action of such officers, directors and shareholder;

4.2.3 To manage, monitor and enforce all of the Debtor's and the Estate's rights and interests under the Plan, the Confirmation Order, the Trust Agreement, any other agreements of the Debtor, and any other Orders of the Bankruptcy Court;

4.2.4 To authorize and make distribution to holders of Allowed Claims provided for or contemplated under the Plan or Trust Agreement, including, without limitation, Section 3 of the Trust Agreement;

4.2.5 Except to the extent set forth in the Plan, to object to any Trust Claims regardless of whether such Claim was Disputed on the Effective Date, to compromise or settle any Trust Claim regardless of whether such Claim was Disputed on the Effective Date, subject to the terms of Section 4.1.3 as relates to the Covid Testing Claims, it being understood that prior to an objection to a Trust Claim, the

Trustee may act without supervision or approval of the Bankruptcy Court, free of any restriction of the Bankruptcy Code, the Bankruptcy Rules, and the guidelines and requirements of the U.S. Trustee, other than those restrictions expressly imposed by the Plan, the Confirmation Order or the Trust Agreement;

4.2.6 To make decisions, without further Bankruptcy Court approval, regarding the retention or engagement of professionals, employees, and consultants by the Trust and the Trustee and to pay the fees and charges incurred by the Trustee or the Trust's behalf on or after the Effective Date;

4.2.7 To (a) file, if necessary, any and all tax and information returns required with respect to the Trust as a grantor trust pursuant to Treas. Reg. 1.671-4(a) or otherwise, (b) make tax elections by and on behalf of the Trust, and (c) pay taxes, if any, payable by the Trust;

4.2.8 To take all other actions not inconsistent with the provisions of the Plan that the Trustee deems reasonably necessary or desirable with respect to administering the Plan;

4.2.9 To implement and/or enforce all provisions of the Plan, including entering into any agreement or executing any document required by or consistent with the Plan, the Confirmation Order or the Trust Agreement;

4.2.10 To abandon in any commercially reasonable manner, including abandonment or donation to a charitable organization of its choice, any Trust Assets in the reasonable business judgment of the Trustee;

4.2.11 Except as otherwise set forth herein, to prosecute and/or settle any Causes of Action, with or without approval of the Bankruptcy Court, and exercise, participate in or initiate any proceeding before the Bankruptcy Court or any

other court of appropriate jurisdiction and participate as a party or otherwise in any administrative, arbitral or other nonjudicial proceeding and pursue to settlement or judgment such Causes of Action;

4.2.12 To purchase or create and carry all insurance policies and pay all insurance premiums and costs the Trustee deems necessary or advisable, and to exercise any and all rights held by the holder of such insurance policies;

4.2.13 To collect and liquidate and/or distribute all Trust Assets pursuant to the Plan, the Confirmation Order, and the Trust Agreement;

4.2.14 To calculate and make all distributions on behalf of the Trust to holders of Allowed Claims provided for in, or contemplated by, the Plan and this Agreement, including, without limitation, all Accrued Professional Compensation Claim, Allowed Secured Claims, and Allowed Unsecured Claims;

4.2.15 To establish, adjust and maintain any reserves for Disputed Trust Claims administered by the Trust;

4.2.16 To hold legal title to any and all of the Trust Assets;

4.2.17 If any of the Trust Assets are situated in any state or other jurisdiction in which the Trustee is not qualified to act as trustee, to nominate and appoint a Person duly qualified to act as trustee in such state or jurisdiction in accordance with Section 9.9 of this Agreement;

4.2.18 To retain any and all insurance policies of the Debtor providing coverage with respect to Causes of Action and exercise any and all rights held by the holder of such insurance policies;

4.2.19 In reliance upon the Debtor's Schedules and the Claims Register

interest herein held by each Beneficiary and, in accordance with Section 4.8 of this Agreement, such register may be the official Claims register maintained in the Chapter 11 Case to the extent of any Trust Claim is reflected thereon;

4.2.20 Exercise such other powers as may be vested in or assumed by the Trustee pursuant to the Plan, the Trust Agreement, the Confirmation Order, other orders of the Bankruptcy Court, or as may be necessary and proper to carry out the provisions of the Plan. Solely with respect to any Trust Asset, the Trustee shall stand in the same position as the Debtor with respect to any claim the Debtor may have to an attorney-client privilege, the work-product doctrine, or any other privilege, and the Trustee shall have the ability to raise all of the Debtor's rights to preserve, or assert any such privilege; and succeed to all of the Debtor's rights to preserve or assert any such privilege; and

4.2.21 To file an application for entry by the Bankruptcy Court of a final decree closing the Chapter 11 Case.

4.3 Authority. No Person dealing with the Trust shall be obligated to inquire into the Trustee's authority in connection with the receipt, preservation, management, or disposition of Trust Assets.

4.4 Abandonment. If, in the Trustee's reasonable judgment, any non-cash Trust Assets cannot be sold in a commercially reasonable manner (if applicable) or the Trustee believes in good faith that such property has inconsequential value to the Trust or its Beneficiaries, the Trustee shall have the right to cause the Trust to abandon or otherwise dispose of such property, without further authority or approval of the Bankruptcy Court, including by donation of such property to a charitable organization.

4.5 Responsibility for Administration of Trust Claims. From and after the Effective Date, the Trust shall be responsible for, among other things, administering and paying distributions provided for under the Plan to Trust Beneficiaries. Except as expressly provided otherwise in the Plan, and except to the extent the applicable Trust Claims have been previously Allowed prior to the Effective Date, the Trust shall control and effectuate the Trust Claims reconciliation process, including to compromise or settle any Trust Claim without any further notice to or action, order or approval by the Bankruptcy Court, or to object to or seek to subordinate any Trust Claim, except as otherwise provided in this Agreement. The Trust shall be entitled to assert all of the Debtor's and the Estate's rights, without limitation, under section 558 of the Bankruptcy Code. The Trust may also seek estimation of any Trust Claims under and subject to section 502(c) of the Bankruptcy Code.

4.6 Post-Confirmation Committee. In accordance with the Plan, on the Effective Date, a Post-Confirmation Committee, consisting of those members of the Official Committee of Unsecured Creditors appointed by the U.S. Trustee in the Chapter 11 Case [ECF Nos. 68 and 70] that are willing to serve shall be appointed to the Post-Confirmation Committee. The Trustee shall consult with the Post-Confirmation Committee as relates to any material action to be taken under the Trust and, as he may deem further necessary or appropriate, before taking action under this Agreement in accordance with the Plan.

4.7 Agents and Professionals. The Trustee may, but shall not be required to, consult with and retain attorneys, financial advisors, accountants, appraisers, and other professionals the Trustee believes have qualifications necessary to assist in the administration of the Trust, including professionals previously retained by the

23-43403-mlo Doc 303 Filed 10/16/23 Entered 10/16/23 21:39:58 Page 28 of 231

Committee or by the Debtor. For the avoidance of doubt, and without limitation of applicable law, nothing in this Agreement shall limit the Trustee from engaging counsel or other professionals, including the Trustee's firm or their affiliates, to do work for the Trust. The Trustee may pay the reasonable salaries, fees and expenses of such Persons in the ordinary course of business.

4.8 Safekeeping and Investment of Trust Assets. All Trust Assets received by the Trustee shall, until liquidated, if necessary, and distributed or paid over time as provided herein and in the Plan, be held in trust for the benefit of the Beneficiaries, but need not be segregated in separate accounts from other Trust Assets (except for the Professional Fee Escrow Account and the account for the Covid Testing Claims, as provided in Article III of this Agreement), unless and to the extent required by law or the Plan. The Trustee shall not be under any obligation to invest Trust Assets. Neither the Trust nor the Trustee shall have any liability for interest or producing income on any Cash received by them and held for distribution or payment to the Beneficiaries, except as such interest shall actually be received by the Trust or Trustee, which shall be distributed consistent with the Plan. Except as otherwise provided by the Plan, the powers of the Trustee to invest any Cash held by the Trust, other than those powers reasonably necessary to maintain the value of the assets and to further the Trust's Creditor purpose, shall be limited to powers to invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings institutions, or other temporary liquid investments, such as treasury bills and short-term money market funds; provided, however, that the scope of permissible investments shall be limited to include only those investments that a liquidating trust, within the meaning of Treas. Reg. § 3.01.7701-4(d), may be permitted to hold pursuant to the Treasury Regulations, or any modification of the IRS guidelines, whether set

23-43403-mlo Doc 303 Filed 10/16/23 Entered 10/16/23 21:39:58 Page 29 of 231

forth in IRS rulings, IRS pronouncements, or otherwise. Notwithstanding the foregoing, the Trustee shall not be prohibited from engaging in any trade or business on its own account, provided that such activity does not interfere or conflict with the Trustee's administration of the Trust.

4.9 Maintenance and Disposition of Trust and Debtor Records. The Trustee shall maintain accurate records of the administration of Trust Assets, including receipts and disbursements and other activity of the Trust. The Trust may, but has no obligation to, engage a claims agent to continue to maintain and update the Claims Register maintained in the Chapter 11 Case throughout the administration of the Trust. In any case, to the extent of any Trust Claims reflected thereon, the Claims Register may serve as the Trustee's register of beneficial interests held by Beneficiaries. Except as provided in the Order to Sale of Substantially All of the Debtor's Assets; (2) The Sale of Substantially All of the Debtor's Assets Free and Clear of Liens, Claims, Interests and Encumbrances Pursuant to 11 U.S.C. §§ 105(A) and 363; (3) Assumption and Assignment of Executory Contracts and Unexpired Leases Pursuant to 11 U.S.C. § 365; and (4) Granting Related Relief [ECF No. 279] and the Confirmation Order, the books and records maintained by the Trustee and any records of the Debtor transferred to the Trust may be disposed of by the Trustee at the later of (i) such time as the Trustee determines that the continued possession or maintenance of such books and records is no longer necessary for the benefit of the Trust or its Beneficiaries and (ii) upon the termination and completion of the winding down of the Trust. For the avoidance of doubt, nothing herein creates an independent right for Beneficiaries to obtain such books and records.

4.10 Reporting Requirements and Payment of Statutory Fees.

4.10.1 The Trustee shall provide the U.S. Trustee and the Bankruptcy Court the information and reports they may reasonably request concerning Trust administration.

4.10.2 The Trustee shall file with the Bankruptcy Court and submit to the U.S. Trustee regular post-confirmation quarterly disbursement reports, on or before the twenty-first (21st) day of each of January, April, July, and October, as appropriate, until the Chapter 11 Case is closed, converted, or dismissed, whichever happens earlier.

4.10.3 The Trustee shall file with the Bankruptcy Court and submit to the U.S. Trustee the final reports for the Debtor.

4.10.4 The Trustee shall pay all statutory fees from the Trust Assets as such fees become due and payable.

4.11 No Bond Required; Procurement of Insurance. Notwithstanding any state or other applicable law to the contrary, the Trustee (including any successor Trustee) shall be exempt from giving any bond or other security in any jurisdiction and shall serve hereunder without bond. The Trustee is hereby authorized, but not required to obtain all reasonable insurance coverage for itself, its agents, representatives, employees or independent contractors, including, without limitation, coverage with respect to the liabilities, duties and obligations of the Trustee and its agents, representatives, employees or independent contractors under this Agreement. The cost of any such insurance coverage shall be an expense of the Trust and paid out of Trust Assets.

ARTICLE V

DISTRIBUTIONS

5.1 Distribution and Reserve of Trust Assets. Following the transfer of Trust Assets to the Trust, the Trustee shall make continuing efforts on behalf of the Trust to collect, liquidate, and distribute all Trust Assets to Beneficiaries (subject to any reserves administered by the Trust) as well as to holders of Accrued Professional Compensation Claims, Secured Claims, and Unsecured Claims in accordance with the Plan.

5.1.1 Distributions to Beneficiaries. In accordance with the Plan and Article III of this Agreement, the Trustee shall cause the Trust to distribute, when practicable, the Trust's net Cash income and net Cash proceeds from the liquidation of the Trust Assets to the Beneficiaries, except the Trust may retain an amount of net income and other Trust Assets reasonably necessary to maintain the value of the Trust Assets or to meet expenses, claims and contingent liabilities of the Trust and Trustee; provided that the Trustee shall have no obligation to make a distribution on account of an Allowed Claim if the amount to be distributed to the holder of such Claim is less than \$50.00, which shall be treated as a De Minimis Distribution under Article VI, Section B(3)(c) of the Plan.

5.1.2 Reserves; Pooling of Reserved Funds. Before any distribution can be made, the Trustee may, in its reasonable discretion, establish, supplement, and maintain reserves in an amount sufficient to meet any and all reasonable expenses and liabilities of the Trust, including, but not limited to, reasonable attorneys' fees and expenses and the fees and expenses of other professionals. In accordance with Section 4.2.15 of this Agreement, the Trust may also maintain, as necessary, a reserve for Disputed Trust Claims. For the avoidance of doubt, the Trustee may withhold any

23-43403-mlo Doc 303 Filed 10/16/23 Entered 10/16/23 21:39:58 Page 32 of 231

distribution pending the Trust's determination of whether to object to a Trust Claim. Except as otherwise provided in this Agreement, the Trustee need not maintain the Trust's reserves in segregated bank accounts and may pool funds in the reserves with each other and other funds of the Trust; provided, however, the Trust shall treat all such reserved funds as being held in a segregated manner in its books and records.

5.1.3 Distributions Net of Reserves and Costs. Distributions to Beneficiaries shall be made net of reserves in accordance with the Plan and this Agreement, and also net of the actual and reasonable out-of-pocket costs of making the distributions to Beneficiaries.

5.1.4 Right to Rely on Professionals. Without limitation of the generality of Section 7.6 of this Agreement, in determining the amount of any distribution or reserves, the Trustee may rely on the advice and opinion of the Trust's financial advisors, accountants, or other professionals.

5.2 Method and Timing of Distributions. Distributions to Beneficiaries shall be made from the Trust in accordance with the terms of the Plan (in particular, Articles III and V) and this Agreement. The Trust may engage a Disbursing Agent or other Person to help make distributions. For the avoidance of doubt, Beneficiaries will only be entitled to a distribution from the Trust as provided in Article III and in accordance with the Plan.

5.3 Withholding from Distributions. The Trustee, in its discretion, may cause the Trust to withhold from amounts distributable from the Trust to any Beneficiary, any and all amounts as may be sufficient to pay the maximum amount of any tax or other charge that has been or might be assessed or imposed by any law, regulation, rule, ruling, directive, or other governmental requirement on such Beneficiary or the

Trust with respect to the amount to be distributed to such Beneficiary. The Trustee shall determine such maximum amount to be withheld by the Trust in its sole, reasonable discretion and shall cause the Trust to distribute to the Beneficiary any excess amount withheld.

5.4 Tax Identification Numbers. The Trustee may require any Beneficiary to furnish an executed IRS Form and may condition any distribution upon receipt of such executed IRS Form. If a Beneficiary does not timely provide the Trustee with an executed IRS Form, then their Allowed Claim shall be deemed disallowed and expunged, and any Claim in respect thereof shall be discharged and barred from assertion against the Trustee, the Trust or the Trust Assets.

5.5 Unclaimed and Undeliverable Distributions. If any distribution to a Beneficiary is returned to the Trustee as undeliverable or is otherwise unclaimed, no further distribution(s) to such Beneficiary shall be made unless and until Beneficiary claims the distribution(s) by timely notifying the Trustee in writing of any information necessary, including such Beneficiary's then-current address, to make the distribution in accordance with the Plan. If a Beneficiary timely provides the Trustee the necessary information under Article VII Section 7.4 of the Plan, all missed distributions shall be made as soon as is practicable, without interest. Undeliverable or unclaimed distributions shall be administered in accordance with Article VI, Section B(3)(a) of the Plan.

5.5.1 No Responsibility to Attempt to Locate Beneficiaries. The Trustee may, in its sole discretion, attempt to determine a Beneficiary's current address or otherwise locate a Beneficiary, but nothing in this Agreement or the Plan shall require the Trustee to do so.

5.5.2 Inapplicability of Unclaimed Property or Escheat Laws.

Unclaimed property held by the Trust shall not be subject to the unclaimed property or escheat laws of any state.

5.6 Voided Checks; Request for Reissuance. Distribution checks issued to Beneficiaries shall be null and void if not negotiated within 6 months after the date of issuance thereof. Distributions in respect of voided checks shall be treated as unclaimed distributions and administered under Article VI, Section B(3)(a) and Section 5.5 of this Agreement. Requests for reissuance of any check shall be made in writing directly to the Trustee by the Beneficiary that was originally issued such check. All such requests shall be made promptly and in time for the check to be reissued and cashed before the funds for the checks become unrestricted Trust Assets, provided that such timing can be satisfied by the Trustee using commercially reasonable efforts.

5.7 Conflicting Claims. If any conflicting claims or demands are made or asserted with respect to an Allowed Trust Claim under this Agreement, or if there is any disagreement between the assignees, transferees, heirs, representatives or legatees succeeding to all or a part of such an Allowed Trust Claim resulting in adverse claims or demands being made in connection with such Allowed Trust Claim, then, in any of such events, the Trustee shall be entitled, in its sole discretion, to refuse to comply with any such conflicting claims or demands.

5.7.1 The Trustee may elect to cause the Trust to make no payment or distribution with respect to the beneficial interest subject to the conflicting claims or demand, or any part thereof, and to refer such conflicting claims or demands to the Bankruptcy Court, which shall have continuing jurisdiction over resolution of such conflicting claims or demands provided for in Article XI, Section 1 of the Plan.

Neither the Trust nor the Trustee shall be or become liable to any of such parties for their refusal to comply with any such conflicting claims or demands, nor shall the Trust or Trustee be liable for interest on any funds which may be so withheld.

5.7.2 The Trustee shall be entitled to refuse to act until either (i) the rights of the adverse claimants have been adjudicated by a Final Order of the Bankruptcy Court; or (ii) all differences have been resolved by a valid written agreement among all such parties to the satisfaction of the Trustee, which agreement shall include a complete release of the Trust and Trustee. Until the Trustee receives written notice that one of the conditions of the preceding sentence is met, the Trustee may deem and treat Beneficiaries identified as the owner of that interest in the books and records maintained by the Trustee, as the absolute owner under this Agreement, of an Allowed Trust Claim. The Trustee may deem and treat such Beneficiary as the absolute owner for purposes of receiving distributions and any payments on account thereof for federal and state income tax purposes, and for all other purposes whatsoever.

5.7.3 In acting or refraining from acting under and in accordance with this Section 5.7 of the Agreement, the Trust and Trustee shall be fully protected and incur no liability to any purported claimant or any other Person pursuant to Article VII of this Agreement.

ARTICLE VI

BENEFICIARIES

6.1 Interest Beneficial Only. The ownership of a beneficial interest in the Trust shall not entitle any Beneficiary to any title in or to the Trust Assets or to any right to call for a partition or division of such assets or to require an accounting.

6.2 Ownership of Beneficial Interests Hereunder. Each Beneficiary shall own a beneficial interest herein which shall, subject to Section 5.1 of this Agreement and the Plan, be entitled to a distribution in the amounts, and at the times, set forth in the Plan and this Agreement.

6.3 Evidence of Beneficial Interest. Ownership of a beneficial interest in the Trust Assets shall not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever, except as maintained on the books and records of the Trust by the Trustee.

6.4 No Right to Accounting. Neither the Beneficiaries nor their successors, assigns, creditors, nor any other Person shall have any right to an accounting by the Trustee, and the Trustee shall not be obligated to provide any accounting to any Person. Nothing in this Agreement is intended to require the Trustee at any time or for any purpose to file any accounting or seek approval of any court with respect to the administration of the Trust or as a condition for making any advance, payment, or distribution out of proceeds of Trust Assets.

6.5 No Standing. Except as expressly provided in this Agreement, a Beneficiary shall not have standing to direct or to seek to direct the Trust or Trustee to do or not to do any act or to institute any action or proceeding at law or in equity against any Person upon or with respect to the Trust Assets.

6.6 Requirement of Undertaking. The Trustee may request the Bankruptcy Court to require, in any suit for the enforcement of any right or remedy under this Agreement, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, including reasonable attorneys' fees, against any party litigant in such

suit; provided, however, the provisions of this Section 6.6 shall not apply to any suit by the Trustee.

6.7 Limitation on Transferability. It is understood and agreed that the beneficial interests herein shall be non-transferable and non-assignable during the term of this Agreement except by operation of law, provided, however, each Beneficiary shall have the right to transfer some or all of its Trust Interests one (1) time each calendar year and shall give the Trustee prompt written notice thereof (each, a “Permitted Transfer”). The Trustee shall not have any obligation to recognize any transfer of a Trust Interest occurring after the Effective Date other than a Permitted Transfer, and only holders of Trust Interests of record as of the Effective Date, and transferees of a Permitted Transfer, shall be entitled to be recognized for all purposes hereunder. An assignment by operation of law shall not be effective until appropriate notification and proof thereof is submitted to the Trustee along with the identity and address of the proper Person to succeed the Beneficiary’s interest, and the Trustee may continue to cause the Trust to pay all amounts to or for the benefit of the assigning Beneficiaries until receipt of proper notification and proof of assignment by operation of law. The Trustee may fully rely upon any such proof and shall have no duty to investigate.

6.8 Exemption from Registration. The rights of the Beneficiaries arising under this Agreement may be deemed “securities” under applicable law. However, such rights have not been defined as “securities” under the Plan because (i) the parties hereto intend that such rights shall not be securities and (ii) if the rights arising under this Agreement in favor of the Beneficiaries are deemed to be “securities,” the exemption from registration under section 1145 of the Bankruptcy Code is intended to

be applicable to such securities. No party to this Agreement shall make a contrary or different contention.

6.9 Delivery of Distributions. Subject to the terms of this Agreement, the Trustee shall cause the Trust to make distributions to Beneficiaries in the manner provided in the Plan and in this Agreement.

ARTICLE VII

THIRD PARTY RIGHTS AND LIMITATION OF LIABILITY

7.1 Parties Dealing with the Trustee. In the absence of actual knowledge to the contrary, any Person dealing with the Trust or the Trustee shall be entitled to rely on the authority of the Trustee or any of the Trustee's agents to act in connection with the Trust Assets. There is no obligation of any Person dealing with the Trustee to inquire into the validity or expediency or propriety of any transaction by the Trustee or any agent of the Trustee.

7.2 Limitation of Trustee's Liability. In exercising the rights granted herein, the Trustee shall exercise the Trustee's best judgment, and, to that end, the affairs of the Trust shall be properly managed and the interests of all of the Beneficiaries safeguarded. However, notwithstanding anything herein to the contrary, neither the Trustee nor its firms, companies, affiliates, partners, officers, directors, members, employees, professionals, advisors, attorneys, financial advisors, investment bankers, disbursing agents, or agents, and any of such Person's successors and assigns (collectively, the "Trustee Parties") shall incur any responsibility or liability, and no Holder of a Claim or Interest or any other party in interest shall have, or otherwise pursue, any claim or Cause of Action against the Trustee or the Trustee Parties, by reason of or relating to any error of law or fact or of any matter or thing done or suffered or omitted to be done under or in connection with this Agreement, whether

23-43403-mlo Doc 303 Filed 10/16/23 Entered 10/16/23 21:39:58 Page 39 of 231

sounding in tort, contract, or otherwise, except for fraud, gross negligence, or willful misconduct that is found by a Final Order (not subject to further appeal or review) to be the direct and primary cause of loss, liability, damage, or expense suffered by the Trust.

7.3 No Liability for Acts of Other Persons. None of the Persons identified in the immediately preceding Section 7.2 of this Agreement shall be liable for the act or omission of any other Person identified in that Section.

7.4 No Liability for Acts of Predecessors. No successor Trustee shall be in any way responsible for the acts or omissions of any Trustee in office prior to the date on which such successor becomes the Trustee, unless a successor Trustee expressly assumes such responsibility.

7.5 No Liability for Good Faith Error of Judgment. The Trustee shall not be liable for any error of judgment made in good faith, unless it shall be finally determined by a Final Order that the Trustee was grossly negligent in ascertaining the pertinent facts before exercising such judgment.

7.6 Reliance by Trustee on Documents and Advice of Counsel or Other Persons. Except as otherwise provided herein, the Trustee may rely in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order or other paper or document believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties. The Trustee also may engage and consult with its legal counsel and other agents and advisors, and may rely upon the advice of such counsel, agents, or advisors for any action taken, omitted, or suffered by the Trustee.

7.7 No Liability for Acts Approved by Bankruptcy Court. The Trustee shall have the right at any time to seek instructions from the Bankruptcy Court concerning the administration or disposition of the Trust Assets and Trust Claims required to be administered by the Trust. The Trust and Trustee shall not be liable for any act or omission that has been approved by the Bankruptcy Court, and all such actions or omissions shall conclusively be deemed not to constitute fraud, gross negligence, or willful misconduct.

7.8 No Personal Obligation for Trust Liabilities. Persons dealing with the Trustee shall have recourse only to the Trust Assets to satisfy any liability incurred by the Trustee to any such Person in carrying out the terms of this Agreement, and the Trustee shall have no personal, individual obligation to satisfy any such liability.

7.9 Indemnification. The Trustee and its consultants, agents, attorneys, accountants, financial advisors, beneficiaries, estates, employees, officers, directors, principals, professionals, and other representatives, each in their representative capacity as such, and any of such parties' successors and assigns (collectively, the "Indemnified Parties" and each, an "Indemnified Party") shall, to the fullest extent permitted by applicable law, be defended, held harmless, and indemnified by the Trust from time to time and receive reimbursement from and against any and all loss, liability, expense (including reasonable counsel fees), or damage of any kind, type or nature, whether sounding in tort, contract, or otherwise, that the Indemnified Parties may incur or sustain in connection with the exercise or performance of any of the Trust's or Trustee's powers and duties under this Agreement or in rendering services by the Indemnified Party to the Trust or Trustee (the "Indemnified Conduct"), including, without limitation, the reasonable costs of counsel or others in investigating, preparing, defending, or settling any action or claim (whether or not

23-43403-mlo Doc 303 Filed 10/16/23 Entered 10/16/23 21:39:58 Page 41 of 231

litigation has been initiated against the Indemnified Party) or in enforcing this Agreement (including its indemnification provisions), except if such loss, liability, expense, or damage is finally determined by a Final Order (not subject to further appeal or review) to result directly and primarily from the fraud, gross negligence, or willful misconduct of the Indemnified Party asserting this provision.

7.9.1 Expense of Trust; Limitation on Source of Payment of Indemnification. All indemnification liabilities of the Trust under this Section 7.9 shall be expenses of the Trust. The amounts necessary for such indemnification and reimbursement shall be paid by the Trust after reserving for all actual and anticipated expenses and liabilities of the Trust. The Trustee shall not be personally liable for the payment of any Trust expense or claim or other liability of the Trust, and no Person shall look to the Trustee or other Indemnified Parties personally for the payment of any such expense or liability.

7.9.2 Procedure for Current Payment of Indemnified Expenses; Undertaking to Repay. The Trust shall reasonably promptly pay an Indemnified Party all amounts subject to indemnification under this Section 7.9 on submission of invoices for such amounts by the Indemnified Party. The Trustee shall approve the indemnification of any Indemnified Party and thereafter shall approve any monthly bills of such Indemnified Party for indemnification. All invoices for indemnification shall be subject to the approval of the Trustee. By accepting any indemnification payment, the Indemnified Party undertakes to repay such amount promptly if it is determined that the Indemnified Party is not entitled to be indemnified under this Agreement. The Bankruptcy Court shall hear and finally determine any dispute arising out of this Section 7.9.

7.10 No Implied Obligations. The Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth herein, and no implied covenants or obligations shall be read into this Agreement against the Trustee.

7.11 Confirmation of Survival of Provisions. Without limitation in any way of any provision of this Agreement, the provisions of this Article VII shall survive the death, dissolution, liquidation, resignation, replacement, or removal, as may be applicable, of the Trustee, or the termination of the Trust or this Agreement, and shall inure to the benefit of the Trustee's and the Indemnified Parties' heirs and assigns.

ARTICLE VIII

TAX MATTERS

8.1 Tax Treatment of Trust. Pursuant to and in accordance with the Plan, for all federal income tax purposes, the Debtor, the Beneficiaries, the Trustee and the Trust shall treat the Trust as a liquidating trust within the meaning of Treasury Income Tax Regulation Section 301.7701-4(d) and IRS Revenue Procedure 94-45 and transfer of the Trust Assets to the Trust shall be treated as a transfer of the Trust Assets by the Debtor to the Beneficiaries in satisfaction of their Allowed Trust Claims, followed by a transfer of the Trust Assets by the Beneficiaries to the Trust in exchange for their Pro Rata beneficial interests in the Trust. The Beneficiaries shall be treated as the grantors and owners of the Trust for federal income tax purposes.

8.2 Annual Reporting and Filing Requirements. Pursuant to and in accordance with the terms of the Plan and this Agreement, the Trustee shall file tax returns for the Trust as a grantor trust pursuant to Treasury Income Tax Regulation Section 1.671-4(a).

8.3 Tax Treatment of Reserves for Disputed Trust Claims. The Trustee may timely elect to treat any Trust Assets allocable to Disputed Trust Claims as a

“disputed ownership fund” (“DOF”) governed by Treasury Regulation Section 1.468B-9. If an election is made to report any reserve for disputed claims as a DOF, the Trust shall comply with all federal and state tax reporting and tax compliance requirements of the DOF, including but not limited to the filing of a separate federal tax return for the DOF and the payment of federal and/or state income tax due.

8.4 Valuation of Trust Assets. After the Effective Date, but in no event later than the due date for timely filing of the Trust’s first federal income tax return (taking into account applicable tax filing extensions), the Trustee shall (a) determine the fair market value of the Trust Assets as of the Effective Date, based on the Trustee’s good faith determination and (b) establish appropriate means to apprise the Beneficiaries of such valuation. The valuation shall be used consistently by all parties (including, without limitation, the Debtor, the Trust, the Trustee, and the Beneficiaries) for all federal income tax purposes.

ARTICLE IX

SELECTION, REMOVAL, REPLACEMENT AND COMPENSATION OF TRUSTEE

9.1 Initial Trustee. As of the Effective Date, the initial trustee shall be Paul R. Hage, as provided in the Plan and the Confirmation Order.

9.2 Term of Service. The Trustee shall serve until (a) the completion of the administration of the Trust Assets and the Trust, including the winding up of the Trust, in accordance with this Agreement and the Plan; (b) termination of the Trust in accordance with the terms of this Agreement and the Plan; or (c) the Trustee’s resignation, death, incapacity or removal. In the event that the Trustee’s appointment terminates by reason of death, dissolution, liquidation, resignation or removal, the Trustee shall be immediately compensated for all reasonable fees and expenses

accrued but unpaid through the effective date of termination, whether or not previously invoiced. The provisions of Article VII of this Agreement shall survive the resignation or removal of any Trustee.

9.3 Removal of Trustee. Any Person serving as Trustee may be removed at any time for cause. Any party in interest, on notice and hearing before the Bankruptcy Court, may seek removal of the Trustee for cause. The Bankruptcy Court shall hear and finally determine any dispute arising out of this Section.

9.4 Resignation of Trustee. The Trustee may resign at any time on written notice to the U.S. Trustee and the Bankruptcy Court. The resignation shall be effective on the later of (i) the date specified in the notice of resignation and (ii) the date that is thirty (30) days after the date such notice is filed with the Bankruptcy Court and served on the U.S. Trustee, Auxo (until it is paid in full on its Secured Claim), and the Post-Confirmation Committee. In the event of a resignation, the resigning Trustee shall render to the U.S. Trustee a full and complete accounting of monies and assets received, disbursed, and held during the term of office of that Trustee.

9.5 Appointment of Successor Trustee. Upon the resignation, death, incapacity, or removal of a Trustee, the Bankruptcy Court shall appoint a successor Trustee on its own motion. Any successor Trustee so appointed (a) shall consent to and accept its appointment as successor Trustee, which may be done by e-mail or through acquiescence in not objecting to a motion for approval of its appointment as successor Trustee and (b) shall not have any liability or responsibility for the acts or omissions of any of its predecessor(s). Any successor Trustee may be appointed to serve only on an interim basis.

9.6 Powers and Duties of Successor Trustee. A successor Trustee shall have all the rights, privileges, powers, and duties of its predecessor under this Agreement, the Plan, and Confirmation Order.

9.7 Trust Continuance. The resignation, death, incapacitation, dissolution, liquidation, or removal of the Trustee shall not terminate the Trust or revoke any existing agency created pursuant to this Agreement or invalidate any action theretofore taken by the Trustee.

9.8 Compensation of Trustee and Costs of Administration. The Trustee shall be paid on an hourly basis based on his then current hourly rate. The Trustee shall receive fair and reasonable compensation for its services in accordance with the terms and conditions of the Plan. All costs, expenses, and obligations incurred by the Trustee (or professionals who may be employed by the Trustee in administering the Trust, in carrying out their other responsibilities under this Agreement, or in any manner connected, incidental, or related thereto) shall be paid or reserved for by the Trust from Trust Assets prior to any distribution to the Beneficiaries. A successor Trustee shall also be entitled to reasonable and fair compensation in connection with its services, which compensation may be different from the terms provided herein, plus the reimbursement of reasonable and documented out-of-pocket expenses.

9.9 Appointment of Supplemental Trustee. If the Trustee has a conflict or any of the Trust Assets are situated in any state or other jurisdiction in which the Trustee is not qualified to act as trustee, the Trustee shall nominate and appoint a Person duly qualified to act as trustee (the "Supplemental Trustee") with respect to such conflict, or in such state or jurisdiction, and require from each such Supplemental Trustee such security as may be designated by the Trustee in its discretion. In the event the Trustee is not willing to appoint a disinterested Person to act as

Supplemental Trustee to handle any such matter, the Bankruptcy Court, on notice and hearing, may do so. The Trustee or the Bankruptcy Court, as applicable, may confer upon such Supplemental Trustee any or all of the rights, powers, privileges and duties of the Trustee hereunder, subject to the conditions and limitations of this Agreement, except as modified or limited by the laws of the applicable state or other jurisdiction (in which case, the laws of the state or other jurisdiction in which such Supplemental Trustee is acting shall prevail to the extent necessary). To the extent the Supplemental Trustee is appointed by the Trustee, the Trustee shall require such Supplemental Trustee to be answerable to the Trustee for all monies, assets and other property that may be received in connection with the administration of all property. The Trustee or the Bankruptcy Court, as applicable, may remove such Supplemental Trustee, with or without cause, and appoint a successor Supplemental Trustee at any time by executing a written instrument declaring such Supplemental Trustee removed from office and specifying the effective date and time of removal.

ARTICLE X

DURATION OF TRUST

10.1 Duration. Once the Trust becomes effective upon the Effective Date of the Plan, the Trust and this Agreement shall remain and continue in full force and effect until the Trust is terminated.

10.2 Termination on Distribution of Trust Assets. Upon the distribution of all Trust Assets in accordance with the provisions of the Plan, the Confirmation Order, and this Agreement, the Trust shall terminate, and the Trustee shall have no further responsibility in connection therewith except as may be required to effectuate such termination under relevant law.

10.3 Termination after Five Years. If the Trust has not been previously terminated pursuant to Section 10.2 hereof, on the fifth (5th) anniversary of the Effective Date, unless the Trust term has been extended by the Bankruptcy Court, upon motion of the Trustee, the Trustee shall distribute all of the Trust Assets to the Beneficiaries in accordance with the Plan and this Agreement, and immediately thereafter the Trust shall terminate and the Trustee shall have no further responsibility in connection therewith except to the limited extent set forth in Section 10.5 of this Agreement.

10.4 No Termination by Beneficiaries. The Trust may not be terminated at any time by the Beneficiaries.

10.5 Continuance of Trust for Winding Up; Discharge and Release of Trustee. After the termination of the Trust and solely for the purpose of liquidating and winding up the affairs of the Trust, the Trustee shall continue to act as such until its responsibilities have been fully performed. Except as otherwise specifically provided herein, upon the distribution of the Trust Assets including all excess reserves, the Trustee, the Trust's professionals and agents shall be deemed discharged and have no further duties or obligations hereunder. Upon a motion by the Trustee, the Bankruptcy Court may enter an order relieving the Trustee, its employees, professionals, and agents of any further duties, discharging and releasing the Trustee, its employees, professionals, agents from all liability related to the Trust, and releasing the Trustee's bond, if any.
